Subject: John - i just want you to think quietly for 10 minutes how this bailout for the rich who have stolen now for some 3 generations blind from the poor, just dumped BIG on the poor yet again, and what if I am right that God is vengeful as well as bright.

Now what does that mean to someone who isn't bright? Absolutely nothing. But you know I am bright and you don't know of anyone who called it quite so right as me.

Sidebar to Devin: Do your children proud. If need be you can get a list from Adam of all the people I believe have a disclosure problem on their hands, to be shared with the President, assuming Mr. Bush doesn't already have my complete list.

Subject: CLIENT #9'S EMAIL ADDRESS - Marine Corp deteriorating

Our dear, STILL SUFFERING FROM LYING TO YOUR PRIEST DURING CONFESSION, friend, so very helpful with very excellent business suggestions and let's not forget how you could also go online and see about finding us an excellent deal on a claw bath for the stone home, please try and "stick to your knitting" rather than have God feel the need to enter the space between your ears and have you broadcast such unadulterated garbage.

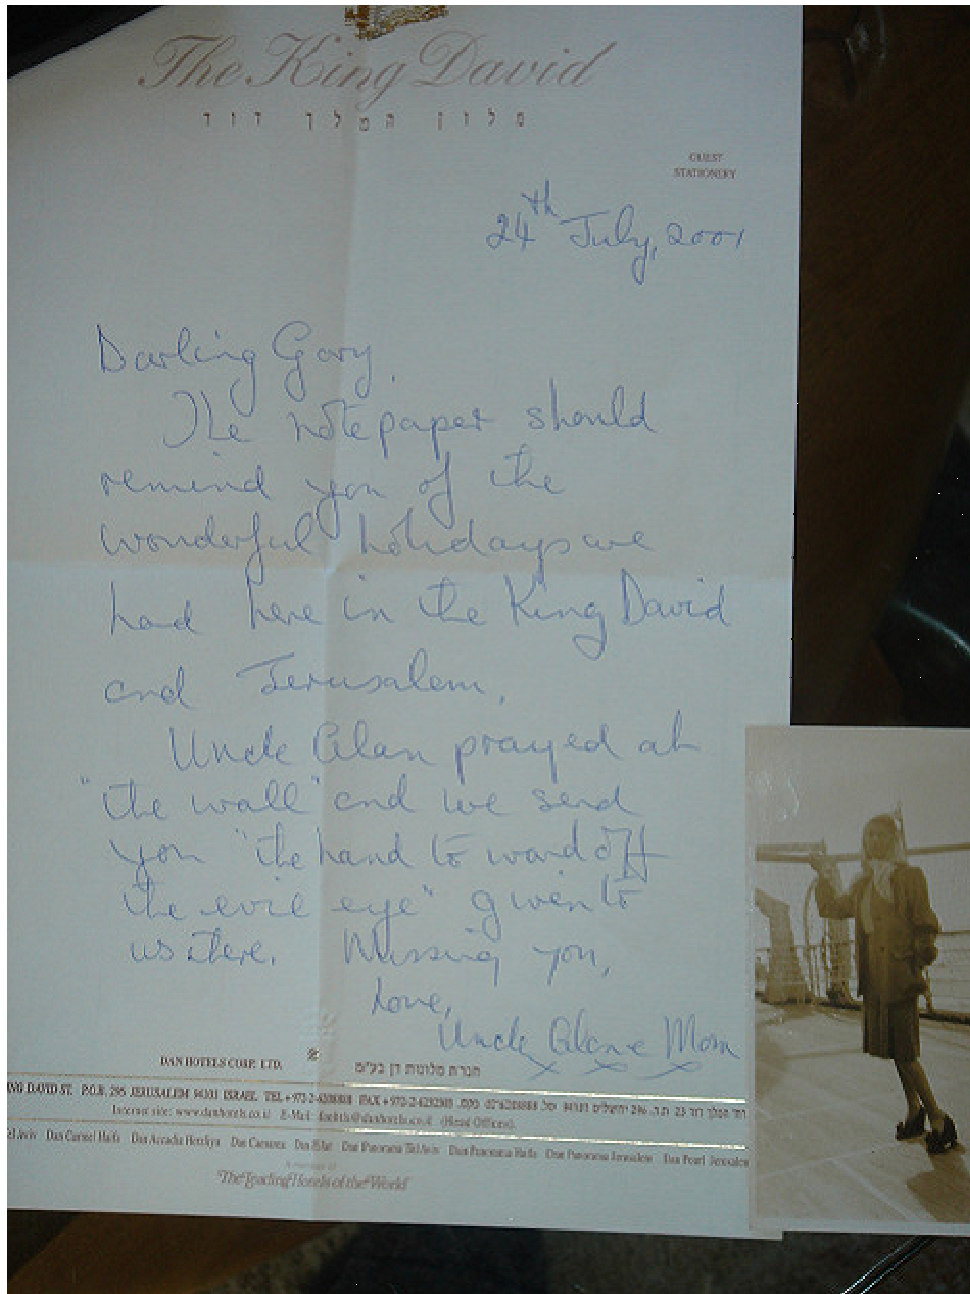

<http://www.nextraterrestrial.com/pdf/Microsoft%20Word%20-%20atucker-justify.pdf>

What is it with you men who don't know the first thing about how to fight let alone win a war, so very quick to "shoot from the hip"?

John, it is not only me and Tefo who expect more out of you than to serve as more of a distraction, let alone waste your limited time remaining, even if it ends up being more than mine, Tefo as well as Marie all combined, thinking it smart not simply to waste my time but incite to violence our very poorly trained-motivated service people forced by the world's elitists without any loyalty to country, ethnicity, religion or gay sex, no strike that, sex to join the "economic draft".

The worst, and of course, in far worse physical and mental shape, rotting from the waste up, forcing the best of the worst in shape to join the economic draft, first going to university and coming away without any skills to contribute to the betterment of humankind.

So why not join me this very moment as a very well dressed lady in pink carrying a small handbag parades in front of the cliff house, and begin, not necessarily right this minute thinking why Menachem Begin of the more militant Irgun Jewish Underground movement chose to blow up the King David Hotel

rather than the railway lines leading in the US-DeBeers sponsored Death Camps with educating the masses by explaining in simple English how the lazy rich have managed so very easily the past century to trickle down the cost of getting filthy rich on to the backs of the poor and downtrodden quite tired of so very nauseatingly boring elitists using their command of the airwaves brought about by their command of the US military who with each passing moment is no match for the world's very best trained military that the Peoples Republic of Communist China were so very smart to embrace.

<http://www.nextraterrestrial.com/pdf/Microsoft%20Word%20-%20atucker-justify.pdf>

Just think of how much more non-vegetarians stink when going to the bidet forget how much worse they perform in bed, and my very sensual highly athletic wife would well attest.

Now think about Marie's "negative vote" all brilliantly designed to get the anarchist United States Congress to "step down".

Not to mention, such an ingenious idea doing much more than simply taking your breath away has yet to be broadcasted to the world anxiously awaiting.

Next think about SPIelberg getting it so wrong in his epic 2005 Movie, MUNich, that the Mossad pay for their own intelligence when if need be they have as much access to unlimited supplies of untraceable, lightweight and never inventoried Diamond Currency always price fixed at more than a barrel of oil as the De Beers-Anglo American Cartel who didn't keep it in any way, shape or form a secret that they were using their worldwide control of diamonds to back both sides of World Oil War II that makes amongst a number of things rather nauseatingly funny those teary eyed remembering the nonsense of D-Day 5th-6th.

Not to mention, spell out in CLEAR, SHORT sentences why SPIelberg and the rest of the De Beers bought and paid for Hollywood have yet to produce a movie detailing Hollywood blockbuster author, Edward Jay Epstein's, The Diamond Invention and for SPIelberg, during the introduction to such a blockbuster movie, explain that the reason why double FBI counter-intelligence agent Robert Hansson is still alive and his family receiving their De Beers-United States FBI pension is because Hansson got smart and demanded that he get part of his payment in Diamond Currency.

Next think about "the ingenious Israeli Military Intelligence report" referenced in an earlier broadcast today, see below:

Not to mention why Ehud Barak when Prime Minister of Israel and head of the Mossad put a loaded gun to the head of President Bill "Rhodes-De Beers Scholar-lawyer" Clinton resulting in this rather dumb and heavily bought and paid for President granting Marc "Trading with the enemy" Rich a Presidential Pardon at the 11th hour of Clinton's fictitious presidency, the CIA nor the FBI nor for that matter Clinton's one lover, Sheila, wife of Clinton's former and deceased US Ambassador to Switzerland "batted an eyelid".

To mention little of even Marc Rich who "voluntarily" relinquished his American citizenship while a fugitive from US Justice also wanted that Presidential Pardon as much as he wanted a tennis ball size bullet hole between his ears fired from well over a mile away by the future generations of those who taught the likes of Hagannah "sniper" Dr. Ruth how to "fire true".

You will recall the photo above showing Dr. Ruth Westheimer seated in between my Royal Mater-Mother and her second husband Alan Zulman, very possibly the most successful fundraiser for Israel in the entire world, which I mentioned just the other day in this 629 odd word communiqué to Dave Fraser

<http://www.nextterrestrial.com/pdf/Microsoft%20Word%20-%20dfraser-trust.pdf>

didn't impress David Ben Gurion, Dr. Ruth's boss, in the least; all the while my step-father Alan serving as yet one of so many important deceptions.

<http://www.nextterrestrial.com/pdf/Microsoft%20Word%20-%20sarale-read.pdf>

By way of deception we wage war – Mossad.

Not to mention Ehud Barak, a little on the fatso side, is currently Israel's Minister of Defense but not quite as powerful as Admiral Ami Ayalon, an Israeli cabinet "Minister without portfolio" the most powerful person in Israel who of course right now is extraordinarily quiet.

Next think about that very real one of many STORED CD ROMs detailing the United States Government's so very blackened hands involvement in directing the CIA along with British intelligence to develop and distribute using assassins of the South African Apartheid Regime's Defense Force, their combined biological weapons programme on their opponents, that has only been a secret to the brain dead.

Not to mention please provide me with your list of FOOLS NAMES, FOOLS FACES IN PUBLIC PLACES that we can add to the "\$ hit list" on www.just3ants.com.

Next think about the total inability of the numb such as yourself to predict much further than the edge of your nose.

Not to mention most of those you know besides for your two gang banger grandsons have all risen to the top of the Bell Shaped Curve educational system, now repeat after me, "the most average such as myself rise to the top" resulting in increasing mediocrity which is why we have to keep in our prisons the much smarter who simply haven't figured out how to steal legally and which the most average simply label "stupid".

Next think about the fact that you cannot also answer why you never thought to question why in modern day times with human overpopulation being at the root of all friction between the warring poor fighting over the scrap dished out by the lazy and mostly fatso rich, it wouldn't make sense that the corrupt church and corrupt state, all one and the same, don't revisit the Bible's, "Be fruitful and multiply" given how overpopulation was not a problem back at the time the Bible was written and to have children, as many as possible, was a means of survival.

Not to mention that of course you don't have to be a fatso to suffer from "Poverty of Thought" but you would agree it certainly goes a long way.

Agree, this is not a pleasant time for the wicked who come in all shapes and sizes.

Remember, we don't discriminate on the "\$ hit list" [sic]!

So long as you are a crook you are most welcome.

Please forward this communiqué to your entire email list increasingly with or without your assistance being added to my one of a kind email list that continues to represent a statistically valid sampling of the world's literate and most corrupt.

Ps – It looks increasing like another storm is upon us this coming weekend that should have you now and forever, at least until next meeting up with our most vengeful God – keep looking in the mirror – thinking about all the time you have let pass by not calling for the United States Government to reintroduce the draft knowing perfectly well do you and all those milking the system that once people

like Sargent Amanda Lopez, a top recruiter for the US Army-National Guard no longer have a job, they will be first in line to let those signing up know why the "economic draft" has worked ever so well beginning when the last draft ended, around, I believe the time Secretary of State Henry Kissinger went on the secret mission to China within days of the United States of America forcing the world to go officially off the Gold Standard on August 15th, 1971, as the US Government, spearheaded by the CIA, began working feverishly to muscle its way into every foreign government and leaving with their gold.

Thank you again for increasing the circle of those dependent upon my insight and analysis of the important events of the day.

It would really make my day, Marie just calling to give me a "heads up", now leaving a message on the answering machine, "Get ready to go", if you could get me without having to bother the Mossad, the personal email address of Client #9's hooker?

Subject: Marine Corp deteriorating

Slightly more than seven years ago I sat, as did millions of other Americans, and watched as our government underwent a peaceful transition of power. At first, I felt a swell of pride and patriotism as I watched George W. Bush take his oath of office. However, all that pride quickly vanished as I later watched the Clintons board Air Force One for the last time.

I saw 21 Marines, in full dress uniform with rifles, fire a 21-gun salute to the outgoing President and first lady. It was then that I realized how far America's military had deteriorated under the Clinton administration.

Every last one of them missed!!!
