Subject: DO THE RIGHT THING!

Dad – did it never occur to you to ask your first cousin, David Gevisser, when you were forced to go to him “cap in hand” to get a job and the only job was with his equally bought and paid for relatives who treated you so very horribly, what exactly did he do to deserve being paid US\$6 million upfront by the estate of Charles Engelhard and whether that had anything to do with you being “blackballed” by the South African Jewish community, at least those who hadn’t been co-opted-corrupted and who also weren’t filthy rich which were few and none?

Now go back and revisit why his son, author-investigative journalist Mark Gevisser,

the baboon of baboons, did not reply to your so very eloquent 3 page letter of May 6th, 1994 right after David Gevisser's De Beers-Anglo American Cartel had Prime Minister FW de Klerk hand over to equally corrupt Nelson Mandela that so very easy to understand STORED CD ROM containing the blueprints for their biological weapons programme that of course you want to forget about.

You know that story about that one Black American slave who said, "I could have freed a whole lot more slaves if only they knew they were slaves".

Now think about that 2 page letter sent by Shlomo to your father on May 3rd 1965 where this Russian soldier begins to describe the brutal murder of Issy Gevisser's sister Pessiah, her daughter Divorah who had married Shlomo as well as all their children and nephews and nieces who your father didn't get to meet when he visited them in the early 1930s giving Pessiah the money to purchase those priceless properties in Haifa Harbor that had mom "rapidly feeling at home in Israel" when first arriving in South Africa to marry you without having previously stepped foot in Israel.

for page 2 of Shlomo's heart wrenching letter and think more not so much about why you are so financially poor but why you have yet to confront your demons who are all very much alive beginning with uncle Dave who understood how very "good

a boy" I was to have been so very quiet in the intervening years since he got me in 1980, at age 23, the "nothing to speak of job" at Codiam Inc. headquartered on 47th Street, New York City, the money laundering and intelligence gathering capital of the DAAC and when he and I met for the very first time alone in 1995 after I had met the day before with his clown South African Minister of Trade and Industry, Trevor Manuel who is now South Africa's Minister of Finance, not such a joke.

Not in the least bit funny once you think this world is not all about you and you being allowed to die in "peace and quiet" albeit in "the lap of luxury".

And while you dwell in your self-satisfying misery, no different to each and every one who has turned a blind eye to the so obvious evil, think about those Black South Africans still suffering not only from the brutality of Charles Engelhard and Co's brutally repressive South African Apartheid Regime but those many millions of Black South Africans still suffering from "Poverty of Thought" but not for much longer.

Now after thinking just a little bit more why my very shrewd, highly secretive Royal Mater-Mother would advise me, "Are you not concerned for your life?" when I pointed that Edward Jay Epstein failed in Chapter 18, THE AMERICAN CONSPIRACY of his epic non-fiction book, THE DIAMOND INVENTION, to point out that Charles Engelhard's "male heir" had the name David Gevisser, think seriously without getting delirious about the lack of questioning that went on in your discombobulated head when hearing so soon after the forced sale of your father's trading conglomerate, all orchestrated by Charles Engelhard and Co., your first cousin, my uncle Dave, found himself in the "pound seats"; Engelhard dead and buried on March 2nd 1971 at the rather young age of 54, having succumbed to his addiction to Coca Cola; not to mention the other nonsense story "floated about" that your father Issy died just 12 months before of a "broken heart".

Give me a break!

Now go do the right thing and after reading the home page of www.NEXTtraterresTRIAL.com call up uncle Dave and simply ask, "What's up"?

Ps – It was in 1929, the year mom was born, that your father visited Vilnius, Lithuania, not in the early 1930s as you had written to Mark Gevisser.

Stay tuned for my forthcoming emails to Israeli Army trained Shunit and President Bush who isn't the only person worried about his balance sheet containing shares in gold companies, before deciding how best to thank me in not returning sooner to South Africa to confront your "sellout" cousin now that I am so very well armed with my extraordinary footprint on the Internet.

Ps II – Type the name “Roy Essakow” in to the Google Search engine. Amazing what comes up!

Not all of the pictures came through, but from the previous version I would take out the larger family photo with relaxed Albert Ash.

Also in researching Mark Gevisser I came across a site with lots of photos from a Thabo Mbeki book signing.

I have made certain additions to the last draft of the email I plan to send shunit. Tell me what you think including whether or not to include any or all of the photos.
