5 MB may not have come "thru" [sic] because of the size of the photos that I have now reduced; not to mention last night's heavily broadcasted communiqué that you may not have yet received has "tongues wagging", and it is not only that of "perfect body-perfect mind" French-Canadian Marie Dion Gevisser who didn't care for the way I first "sliced" the, "White on Black color Black Beach nude" that is now corrected; to mention little of my gorgeous, sexy E-C wife now saying in her so very cute French accent, "You have got to make now a whole thing out of it, don't you?"

<http://www.nextraterrestrial.com/pdf/Microsoft%20Word%20-%20jlaurier-shortcircuit.pdf>

BTW, can you explain what Canadian Neil Young was saying in this interview, click hyperlink below, apart from the fact that while he most likely suffers from dementia because of his high fat cell count he is mostly envious of George W. Bush who he

credits with, "He is a very good physical specimen. He shows that a man his age can stay in physical condition."

Next week should be an interesting week for the markets as folks like Drudge Report prepare for my "without the fluff" 20,000 or so word communiqué.

Did you know there is supposed to be a lunar eclipse Feb 20-21, 12:09 AM? Marie just showing me a photo of the awesome one taken in 1922 as she pages through very interesting NATURAL HISTORY magazine put out by the San Diego Natural History Museum who may decide to be www.just3ants.com's first Corporate Sponsor and so distance themselves from every medical doctor who will most likely when hearing what I have to say next to an important gentleman who emailed me earlier today, "How goes your battle to save the world?" will be afraid to even give me an aspirin.

The sun now touching down on the smooth as a lake magnificent Pacific Ocean as we, including all those increasingly nervous United States citizens having moved chunks of their ill-gotten gains offshore in anticipation of what they believe will be the most bloody US civil war that will make that of the mid-19th century look like a day in the water park, should all wish only the very best of thoughts to our Chinese brothers and sisters, so very gracious in their victory, but for how long as most of US westerners, so very quick in our so very busy lives mostly "playing", to point a wagging finger at those who remember because they are not too busy keeping track of their lies from day one "playing ostrich", without even noticing that 4 are pointed back, to the U.S.' past atrocities beginning with that rarely talked about J.P. Morgan and Co., including De Beers' American led 8 Allied Nations invasion of China in 1900.

BTW, I am quite certain that Keren over at the Office for the Israeli Department of Defense Attache at the Israeli Embassy in Washington, DC, is not only going to enjoy my next heavily broadcasted communiqué but until she receives her copy which of course she will publicly deny just like she emailed me on November 19th of last year letting me know "ahead of time" that she would "vouch for me" by not responding after I followed "to the letter" her very "short, clear" request that read,

Please send me a SHORT, CLEAR e-mail of what it is that you need from us. If it wasn't clear until now, our department, the Defense and Military Attache is responsible for US-Israel Military and Department of Defense relations. If you will be clear I might be able to help you.

<http://just3ants.com/emails/israeliembassy/default.shtml>

Notice how ambiguous is this perfect English speaking Israeli intelligence officer in her use of the word "relations".

You would know even if your ESP is a little off that I have provided all the "triangulation" needed to convince the smartest people in the world in addition to of course both Israeli Military Intelligence and the Mossad, kept very separate for good reason, of not only my "credibility" but how easy it is going to be for each one of us literate people on this planet to figure out in an instant whether we want to have anything to do with our "blood relatives" apart from either taking their "blackened hands money" or exposing them versus having them obviously, "good, hard workers" join the rest of us increasingly so very relaxed just spreading the truth, that which does not change.

Ps – Since you and Dotte are coming over for dinner either tomorrow night or Sunday when again you can choose the conversation topics including of course why it is that religious as well as non-religious people have such strong feelings about **"IN GOD WE TRUST"**, so very quickly are the elitists of the world who rarely set foot on US soil now pulling out all stops to get such verbiage removed from US coinage as it is beginning to be quite the "eyesore" amongst the brainwashed by De Beers' propaganda masses, beginning with the masses of United States citizens followed shortly thereafter by the masses flocking to our shores from foreign lands, thanks again to De Beers' United States Government's so very putrid, so disgusting, so untruthful propaganda.

<http://www.nextraterrestrial.com/pdf/Microsoft%20Word%20-%20jpollard-dollar.pdf>

But I also suggest you get your own copy of NATURAL HISTORY where again there are so very interesting subjects that surround the basic principal, "For every reaction there is an equal and opposite reaction, nothing is gained nor is it lost", and none "closer to home" than all the wealth of the poor being given "hand over fist" to medical doctors beginning with cardiologists and why you wouldn't be in the least bit surprised that it is United States physicians, so very overpaid who are the first to sign up to be lead plaintiff attorneys for criminal law firm enterprises like Milberg Weiss-Lerach; i.e. when you steal you never get enough.

Not to suggest that how so very important was that year 1938 when Anglo South African Harry Oppenheimer, the next in line to take over from his father Ernest as the head of De Beers, visited Madison Avenue, New York City, the DAAC's intelligence gathering and money laundering capital of the world, where he publicly presented to Mr. Gerald M. Lauck, President of the advertising agency, N. W. Ayer, the De Beers-Anglo American Cartel's very easy to understand agenda, "TAKE THE MONEY NOW OR OPEN UP A TACO STAND".

Not to mention that Harry Oppenheimer met future President John F. Kennedy for the first time across the border in Quebec, Canada, at American mineral rich Charles Engelhard's Camp Chaleur estate.

To mention little of Henry Oppenheimer fully aware of not only JFK's father being a virulent anti-Semite and strong Nazi sympathizer but named in that same year as

US Ambassador to Great Britain, all very carefully planned these nothing in the least bit coincidences.

To mention in passing the same Harry Oppenheimer made NEWS HEADLINES when telling the world that he, and therefore De Beers and Co., considered the United States of America's South African Apartheid Regime, "bad for business" with their monstrous racist, slave wage Apartheid Laws, all the while Harry Oppenheimer and Co. that included the likes of Neil Young, Crosby, Stills, Nash and Young, Bob-Robert Zimmerman-Dylan, Jane Fonda and Co., Oprah, Stedman, Senator Ted Kennedy, Attorney General of the United States, Senator Robert F. Kennedy, JFK, Jackie O, Dr. Laura, Rush Limbaugh, Hillary and De Beers-Rhodes Scholar Clinton, Senator Obama, Senator McCain, Westinghouse-CBS, 60 Minutes, CIA, FBI, Roger W. Robinson, King Golden Jr. Esq. THE IT, Valerie Schulte Esq. , her 15 year lover Ted Turner, CNN, Larry King Live etc etc, never "batted an eyelid" when Harry Oppenheimer's partner, American Charles Engelhard "openly supported" the South African Apartheid Regime who stayed in power for an uninterrupted period of 45 odd years as South Africa's gold, platinum and uranium was "stolen blind" and the discombobulated American masses couldn't even find the words necessary, forget the letters, to ask,

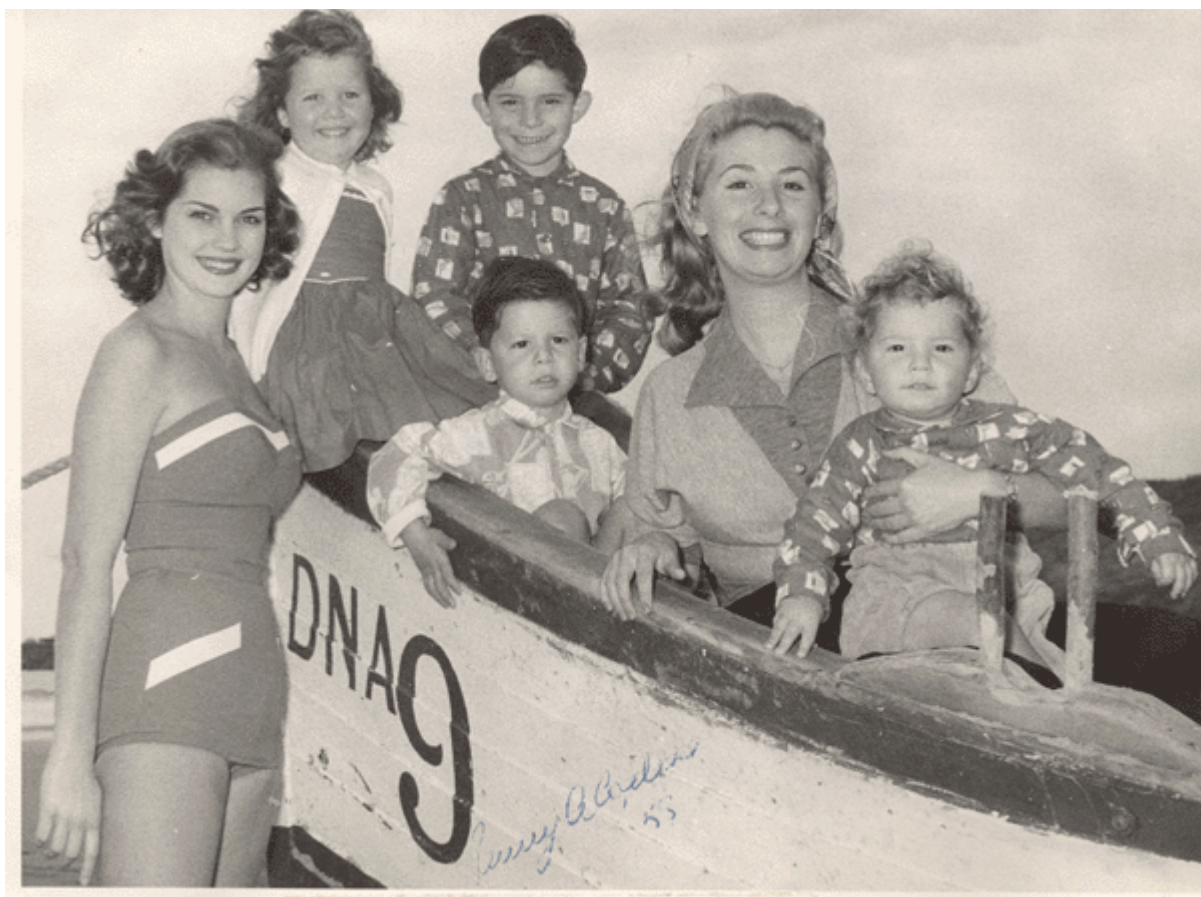

"What happened to my share of the gold, my Lear jet, etc etc?"

Notice how quickly, less than two handfuls of paragraphs, we are no longer fixated on stuff like nudity that didn't seem to bother God?

BTW so full of life Marie just left taking JoNathan to self-defense classes where he is being tested for his yellow belt. Can't wait to get his trainer Master "King Kong" [sic] to visit us at www.just3ants.com averaging some 40 new visitors a week and we have all next week to look forward to.

Peace!

Subject: Since you are now on the phone with Marie and she is talking about my electrodes about to come off, i though you would enjoy this photo she took of me earlier on the beach, forget the blacked out area, after 3 egrettes entertained us with their elegance.
