Subject: JUST3ANTS.COM - RE: Don't accept the new DOLLAR

Have you checked to see whether the "IN GOD WE TRUST" is engraved on the rim, designed to wear out that much easier in time?

Moreover, isn't it a little hypocritical for religious people to want to have their money linked to God?

Whatever happened to, "Love of money is the root of all evil"?

I will shortly be sending out the official invitation to my first VODcast seminar-workshop, "WE DUG OUR HOLE ALL THE WAY TO CHINA" but that shouldn't prevent you from right now checking out www.just3ants.com, bearing in mind that my Royal Mater-Mother's now 6 decade old record, THE IMPORTANCE OF BEING A WOMAN, will be uploaded shortly.
