GENERAL DESCRIPTION

This Semi Detached sea front 'Home with income' is located within 200 yards of the old harbour and enjoys superb sweeping views over the bay towards the Welsh coastline.

Adjoining the property is a beach cafe/tea room with large paved terrace, all overlooking the sea and which has been established for over twenty years. At present the cafe currently opens between April and October during the day for tea and coffees, lunches, light snacks, cream teas and ice creams and relies on passing trade but has excellent scope to fully exploit the commercial seaside business. The living accommodation is equipped with gas fired central heating and provides three bedroom accommodation with roof terrace, off road parking space and the former garage has been converted to provide a store room and customers w.c.

The town centre is within approximately half a mile where there is an excellent range of shopping, banking and recreational facilities and the county town of Taunton is approximately twenty two miles to the east and has main line rail connections and access to the motorway network. For those who enjoy exploring the countryside, the Quantock, Brendon and Exmoor hills are all close at hand and situated at the end of the sea front the property is ideally placed to attract passing trade including walkers where the property is situated at the start of a footpath leading up into superb woodland walks.
