Subject: OBVIOUSLY - Consider whether it is worth your time exploring with my eldest brother Neil,

OBVIOUSLY, while immediately prior thinking wild passionate sex with the hottest, coolest chick on planet Mother Earth, I thought that I would like for you to run a survey with your ever expanding focus group to see about getting a t-shirt that reads exactly what Michael Boyd aka topped-87623@mypacks.net wrote below including the "from", "Sent", "to", and "subject" - my concern is that he is getting very boring writing perfectly understanding American English, punctuation pretty much perfect, commas in the right place, despite head up his ass - come to think of it, what about an electronic billboard t-shirt and we have hot looking women riding their red vespas around town with the lettering going around all their curvatures and we have contests going on over the internet and the best responses getting electronically transmitted - come to think of it, I need to find a way to get onto Marie's scooter's license plate the verbiage "R u getting it, John?"

Subject: Re: Consider whether it is worth you time exploring with my eldest brother Neil,

Wow! Coke was only in bottles at the time. how fascinating!! I am so glad you told us that. I take it all back, you aren't a fucking stupid, long winded, making no sense asshole. You are , in fact, a genius who is intellegent, brave and by no means ugly.

Who am I kidding, you are so long winded and boring that words can't describe it. You and your wife are so fucking ugly that you both must have been hit by the ugly bus at least twice. (I am basing my assumptions about your wife's ugliness on your ugliness, this is assuming she really exists and is not a delusion like most of the other shit you try and write about)

Please shut the fuck up with your fucking stupid ramblings. Nobody cares and it is all bullshit. WE DON'T CARE ABOUT YOUR STUPID FUCKING UGLY FAMILY OR YOUR NONSENICAL EMAILS. GO THE FUCK AWAY!!!
