Subject: WELL THAT WAS A LOT ABOUT NOTHING!

Have you noticed when you type your name alongside "[Essakow](#)" in Google you are taken to this communiqué of mine that was in response to yours ending,

"... write a letter of apology to all those people mentioned in your message with a copy to me."

<http://www.nextraterrestrial.com/pdf/cwolf-rich.htm>

Just in case you and those keeping your company this Passover have trouble clicking on the hyperlink above that contributes to people such as you, FOOLS NAMES, FOOLS FACES IN PUBLIC PLACES, increasing the circle of those dependent

upon my insight and analysis of the important events of the day, below is your so very cocky email to me of January 14th, 2006:

Dear Gary Gevisser,

By coincidence, I came across a message you wrote (<http://nextraterrestrial.com/pdf/676-681.htm>) in which you state that

"David clearly getting tremendous joy at putting Roy Essakow down, someone I understand who has donated some of his-Marc Rich's "ill-gotten" gains to the Orthodox Jewish Synagogue where I said, David, I believe, remains the president, in good standing."

I am only concerned with your personal comments. The fact **th**at Roy Essakow worked for Marc Rich is Switzerland after Mr. Rich's questionable activities (Marc Rich was never tried, let alone found guilty of anything) in the United States does not mean that the money that Roy earned while working for Marc Rich in Switzerland for some 10 years was ill gained.

The only reason that I bothered to write to you is that I met Roy several years ago here in Israel through Beit Issie Shapiro, an organization that assists children with developmental delay and Roy spoke quite openly about having worked with Marc Rich before emigrating to the United States. I think it would be fair to presume that had Roy been involved in something illegal (as you have openly stated), 1) he would have refrained from mentioning his association with Marc Rich and 2) as Marc Rich was a fugitive from the U.S., had there been ongoing illegal activity, it probably would have been impossible for Roy to immigrate to the U.S.

Unless you have some very specific proof, I suggest you write a letter of apology to all those people mentioned in your message with a copy to me.

C. Wolff

Should anyone who has a beef with either you or Roy or David Levy, still to the best of my knowledge President of an orthodox Jewish synagogue in La Jolla that Roy Essakow helped fund with his so very blood stained ill-gotten gains, wish to join me in distributing copies of this communiqué to all those attending synagogues, churches and mosques this Passover period, please be my guest.

Of course you noticed much more in the speech given in the presence of the Pope this past Friday by the Orthodox Jewish Rabbi of the upper east end synagogue than the fact that there was no mention of our Islam brothers and sisters, not quite as corrupt as our Judeo-Christian leadership so very caught up in the money politics of religion.

Not to mention such a gathering had all logical independent thinking people thinking after hearing both the rabbi and the Pope speaking,

"Well that was a lot about nothing!"

To mention little of you, an intellectual midget, also knowing, the reason they are doing this is that they are losing power on both sides. No one is religious anymore.

To mention in passing what possible thoughts went through the mind of the Pope as the young Jewish girl presented him with some Mazah, "You filthy bastard Jews killed our Jesus, so much for you starting out your Passover celebrations thinking about his blood smeared on the doors of those before leaving Egypt to ward off the evil eye" followed by you think,

"Thank you my little girl; come and see me later, although of course I prefer little boys like former altar boy King Golden Jr. Esq."

Yes when you heard this Rabbi say, "Our love for God can never come at the expense for our love of his children" has you still thinking about all the Pope's senior ranking pedophiles having enough ill-gotten gains to afford paying billions upon billions of worthless-fictitious DeBeers-Holocaust smelling Dollars to their victims, while again our Muslim brothers and sisters so conspicuously absent in this gathering of liars, cheats and thieves on the eve of this past Shabbat.

So where was the Pope during the Holocaust as well as what was the Roman Catholic church's position on the British and American arms embargo placed on Israel during Israel's most brutal War of Independence all aimed to get rid of the Jewish people, the independent thinking Jewish people that is, when the 6 million murdered during World Oil War II obviously wasn't sufficient to assure the ruling elite, backed to the hilt by all the world's corrupt religious leadership including the Jewish leadership here in the United States, to live the good life without having to break a sweat when working for a living.

And yes where were all the Jewish and Christian leadership let alone the Black leadership in this country when Chinese Americans took to the streets this past week to condemn the so vulgar, so racist comments of a CNN anchor person who was simply "playing off" the so untrue and so racist comments of Hilary directed towards the Chinese people who remember still hold on to a good junk of our worthless-fictitious and so very blood stained De Beers-US Dollars?

So go ahead and provide us with the names and email addresses of those other hypocrite relatives of yours, Jewish and gentile profiteering from the Diamond Invention and I doubt very much you find that many with Arab names.
