**Subject:** CHINA rE: Remove

Do you recall sending me an email that explained why it is important to you to suggest that the Chinese are more unscrupulous than US Americans?

Now remember not only are senior Chinese officials copied on this communiqué but how very important it is to your bosses, the De Beers-Anglo American Cartel that while blasting loudly that China is the "New Enemy" to also hook the Chinese people on "A Diamond is forever-A Girl's Best friend" bearing in mind the history of not only jade art culture but the Chinese are not close to being as stupid as US American Lily White Wheaty Eaters who purposefully have an extraordinarily poor knowledge of modern day history beginning with the DeBeers led American 8 Allied Nations invasion of China.

**Subject:** FRIEND - **AVERAGE** - Interesting Article, Pass it on

Thank you for making clear that when panhandling

you are "rili" [sic] seeking donations including corporate sponsorship for just3ants.com that I think should start out no less than US\$150,000.

Please seek guidance from Devin and Dr. John K. Pollard Jr., better yet, both Dr. JKP Jr.'s Hispanic-American gang-banger grandsons who you might be able to reach quicker through Public Defender, Robert Quinones Esquire; and if you have the time, prior to me picking you for lunch today, to include Keren over at the Office for the Israeli Department of Defense Attache at the Israeli Embassy in Washington, DC, then please be my guest.

On the way to pick you up in say a half hour from now – I will bring you a helmet - I will take the Via Del Valle north bound exit just to check.

I think I will wait until after lunch to follow up with your "friend" Black African American Paul Robinson, unless you suggest otherwise.

No word from Curran Thomerson. Perhaps they were wanting to see who I would communicate with post their "heads up".

I'll work on business cards and T-shirt right now, although I don't know if I will have time to get my sign ready for my donations.
