Mr. Yang – Can you give one good reason why you shouldn't be on “\$ hit list” [sic]?

You would know that I am not the only person in the world rather angry with your “deafening silence” and it isn't only “sum” [sic] of those you see in the carbon copy section who like you can only imagine who is in the blind copy section that include a good chunk of the Chinese and non-Chinese people my French-Canadian wife and I met in China on our 24 day “fact finding mission” back in the summer of 2006.

Then there are those 6700 signatures that you say you have of people “outraged” over the “misinformation” put out by the western media?

Who is paying you?

Who is paying you to keep quiet?

Who is encouraging you the most to be "deafeningly silent"?

While staying tuned for my follow up to President George W. Bush and the Pope at least compose the thoughts in your mind why it is that you haven't promoted how well American prisoners of war were treated by your Chinese brothers and sisters during the Korean War, so well, that "sum" [sic] decided to stay behind and not rejoin their regiments when the war ended following America's defeat on the battlefield up against Chinese volunteers.

Take as much time as you want as you don't forget why it is that just3ants.com continues to expand its footprint despite no sponsorship to speak of.

Gold last trading at US\$940.90.

I am now going to take a shower following my jog along the beach here in Del Mar which I made a tape recording of and then I will make breakfast for Marie Dion Gevisser who just let me know she is ready after a very peaceful night sleep following yesterday's "fun and games"; at least we know we kept Mr. Jeffrey R. Krinsk of Finkelstein & Krinsk "entertained".

Sidebar to Jeffrey: How about lunch today, although I don't know that Marie can make it?

Haven't finished watching it yet, but it has interviews with former secret service members that were responsible for tracking down the Nazi's to arrest them only to later find out that another CO recruited them.
