So cousin Jack, what's your view on www.just3ants.com?

Also do you have anything to contribute on forthcoming analysis of the correlation between "emotions", "deafening silences" and the phrase, "What goes around comes around with a vengeance", short-circuits of the [brain](#) to be avoided at all cost?

BTW do you have your first cousin, and former Head Boy of Carmel College High School, Saul Levin's email address?

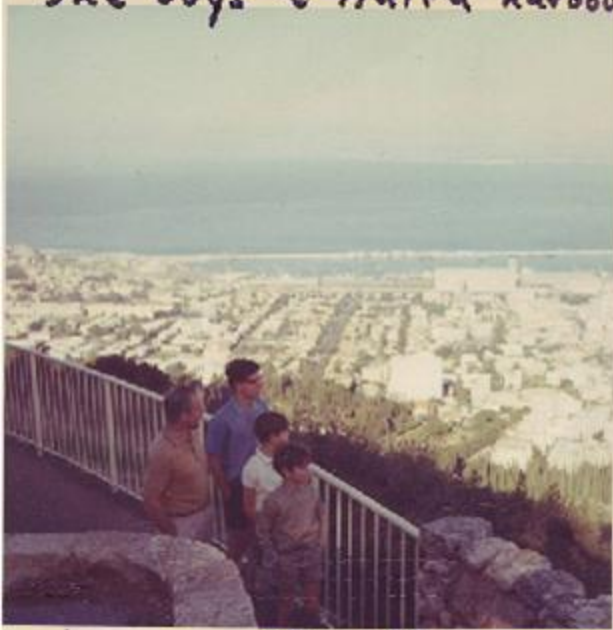

Cheers,

Gary
