Let me repeat to you what I sent earlier to another academic just like yourself and then following that 3,358 word heavily broadcasted communiqué is what Mr. Adam L. Tucker sent your Harvard Law School Professor of Law Alan Dershowitz; not to mention I will be adding your name to the defendants in the complaint of Treason against the De Beers-US Congress and Co; to mention little of please let me know if anyone asks you why you are not wearing one of our, "I don't lie, steal or cheat!" t-shirts:

Does it really make a difference whether or not you know me given how you not on truth and nothing but the truth?

So help me God/G-d I will expose until Kingdom Come each of your failures to mee

are so very trusting of you, mostly if not exclusively "glorified babysitters", at best, able to blame the school board for your "ostrich" behavior **who** then blame the parents for the truth, that which does not change.

It has come to my attention this morning that China may have blocked the going on of [www.just3ants.com](http://www.just3ants.com) even though I am one of the most ardent supporters of this group of extraordinarily non-money cultured peoples versus us Westerners, in particular us who live on foreign soils in order to both steal others' precious mineral resources, "live to eat and let others die".

And of top of such debauchery still think nothing of murdering other peoples' non-monotheistic religions for some 3 generations now, ever since beginning to execute flawlessly our Gunboat Diplomacy be all about "just, me, me, me" money; what's mine is mine, mine, mine, followed by "POSSESSION IS 9/10THS OF THE LAW".

Repeat after me, "I AM SO FUCKING STUPID. I AM SO FUCKING CORRUPT. I SHOULD HAVE NEVER ALONE TYPE SUCH UTTER GARBAGE THAT IS NOW MY LEGACY!"

Of course you know so very little about the American led 8 Allied Nations invasion of South Africa that financed the Anglo Boer War of 1899-1902 that was all about stealing South Africa's diamonds. The American led 8 Allied Nations invasion of China in 1900 and the American financed De Beers diamond syndicate, the monopolist of monopolists who in having their own diamond currency always price fixed at more than a barrel of oil make a mockery of the books, period.

And of course you still chuckle heartedly but increasingly more so to yourself,

"FUCK YOU THE REST OF THE WORLD, BECAUSE WE ALSO HAVE YOU HOOKED ON OUR MONEY."

You would do well right now to follow very closely Proverbs:

In fact you may not have heard much from me in the course of the past several weeks due to the network that my one American programmer Adam L Tucker hasn't been able to resolve.

such as trying to find out about getting an English teaching job in China as well as THE IMPORTANCE OF BEING A WOMAN, and when not checking that his slip isn't sharing information that I occasionally share with imbeciles such as you.

I have been trying awfully hard for months now to get Mr. Tucker to also be so very achievement in a variety of fields feels the need to not only express himself but defend himself knows he isn't the smartest person in the world that G-d must have had a reason for himself to return as an ant that I keep telling him but for "sum" [sic] reason he does past Monday, began swarming and entering our Stone Home, where Mr. Tucker is and thoughts were to call in an exterminator.

Mr. Tucker knows, principally because I tell him so that he is above average in intelligence return him as anything other than a worker ant but in the meantime you would agree with everyone else the very good and smart Lord "gifts" me in an effort to give peace

Please don't feel any pity for Mr. Tucker given how **he** is not even close to returning

In due course I will be following up with a Mr. Pender of Conflict Securities Advisory Mr. Roger W. Robinson, the immediate past Chairman and Vice Chairman of the U.S. "Roger" served from October 2002 to December 31st, 2005.

You would have little difficulty as would the Chinese government whose officials do the Israelis, the most peaceful of all the world's peoples, set the scholastic levels with Israeli Military Intelligence report that I alone have been broadcasting to the world Mossad, Israel's foreign intelligence institute began to officially "vet", beginning November

Such a military report of all time that not only spells doom for the U.S. Economy but our times, EXPOSES the extraordinarily transparent culpability of the US Government world for more than a century now.

Each and every genocide that has taken place following the pogroms-massacring of family ties, shows clearly the role of the heavily corrupt 3 Branches of the US Government brainwashing us Americans for some 100+ years but also those who have survived

My great maternal grandmother, Nechie Badash was the sole survivor of a pogrom in Poland that her very close friend David Ben Gurion also came from, although Nechie possibly as many as 12 years, and about 8 years of age when Cossacks on horseback siblings as Nechie sad huddled in a tiny closet.

You understand that there were not many survivors of these big government sponsored corrupt establishment given how us "Wandering Jewish people" are taught from the

comfortable in even questioning God which many of us Jewish people spell with a h people who are not only Jewish when it suits our pocket book, G-d is "amorphous", awesomely wonderful puzzle of life.

It is not only the "Lord" who knows us so opinionated humans who are mostly lazy, break a sweat, dont like to be told what to do and how to do it.

When, however, one is raised knowing that the literal translation of the Hebrew word instant one can easily appreciate, especially when one knows how very precise is Hebrew spiritual languages, mathematics of course the very first and most precise, how very with knowing more about the clay feet of our human leadership than we do about the who every Jewish person, good, bad and indifferent knows how he in order to have Israel, who achieved fame when slaying Goliath, sent the husband of his mistress wife husband of King David's mistress met his death.

I am alive, fit and well and I can see no reason why I won't be as successful as I was in not only enjoying myself immeasurably, having started the day relatively early by a relatively big surf in front of our gallery-studio cliff house, and now 6 hours later pro my wave ski that I doubt very much there is a Physical Ed. teacher in the United States fun I had without coming away with the most severe concussion assuming they were not exactly easy to balance hybrid between a surfboard and kayak, but more so like paddling on to the wave with a paddle, each end more than twice the size of those

Before I take any wave I give thought to each and every surfer around me, most people gas/petrol each time they accelerate, then have to find parking, all the while praying for the wetsuits, and of course it takes additional energy to be polite to the other surfers across a hot looking woman like my French-Canadian wife with the most to die for legs better yet, paddle out ahead, versus me who from the moment I lift my head not even and we are thinking of raising the king size bed, and figure out whether it is worth as much as she enjoys her morning sleep every so often wakes up spirited, and in less because I am not quite sure about the possible discoloration of the Marino wool in rain water, all said and done including getting suited up, taking no more than 7 minutes

Each and every time I make the decision to give those less fortunate a wave that I ways including getting better waves and less wipeouts, and of course I will let you

Most fatsos that constitute today more than two-thirds of the American population instructions needed before even entering the calmest of calm surf on what is nothing to the paddle making it much more like a boomerang.

Have you noticed how you haven't even thought up until I mention it of simply hitting the spot market?

Next go back to not only that ingenious Israeli Military Intelligence report that finally

Next fixate until you next hear from me on what I mentioned again yesterday that Force, the State of Israel is today fully equipped to execute a military plan I have " that would not only guarantee the survival of the State of Israel but bring about war being spilled, just so long as when the message is delivered to President George W. and IMI are as CLEAR and SHORT as they were when both communicating with me extraordinarily ingenious Military Report of all time.

Not to mention my most interesting conversation with this not in the least bit naïve met for the first time yesterday at the Del Mar Library, had me remembering for the know first and foremost about "sharing" even in those households where the man o prevent the "rooster" from not only paying the most careful attention to both wives equal in importance allowing the eldest daughter of the second marriage that only o very best schooling "money could afford", not only allowing Tzehui to spend the pas and worked in the biotech field but allowing Tzehui' mother to visit the United States holidays for Tzehui to return and visit with the extraordinarily close family that all li who haven't been with them a lifetime while "knowing their place" are most comfort 7 odd children, but getting her schooling in Malaysia at the Chinese school where sh given how her family have embraced all the cultures of India-Hinduism, Islam and t pork, and has of course little difficulty in staying perfectly trim, allowing her like my both MDG and I have difficulty sharing, the same with "deserts" [sic].

To mention little of I had no idea at first that Tzehui's family were "mostly Muslim" trusted friends were devout Muslims who not only protected my maternal Jewish gr assassination in 1963, although it could have been the following year when I was st Africa then watched ever so carefully over his widow, Rachel Pevy Ash and when sh mother "like a hawk", and my highly secretive mother also making a point of how it monies that the estate of his father, Israel Issy Gevisser had invested in a "pyramid have wiped out some 10% of the entire estate which was not very much to begin w "in sending a message".

The fact that neither my father nor any of my 3 elder siblings ever thought to quest headed up by well-known Jewish people?" followed immediately with the question, followed immediately with, "How could the State of Israel allow Edred Savell, the Je fraud" be allowed to escape to Israel without people like David Ben Gurion and Co. extraordinarily few good and smart people who survived the pogroms of eastern Eu either Arabs or Muslims but by Europeans who then perfected the slaughter of all th Camps of Nazi Germany and Poland, still "know better" than to talk; and of course

come and feel right at home in Israel where they would be watched that much closer

The "money trail" is not the only way we can all see today that it was in fact the Arabs, not their arrogance immediately moved south to secure the precious minerals needed for the war to exterminate the remaining "problem Jews" preparing for the final onslaught in Jerusalem who knew that the most trusted were those who "couldn't" versus "wouldn't" be their uncles, beginning with my great grandmother of Hasholom Nechie Badash who produced my favored son, my granddad Al Ash of Hasholom.

You should try getting your hands on the Durban Jewish Club's January 1967 edition of the most literate, most shrewd, most excellent truthful story telling mother Zena, entitled, "The Jews" many times and where not just my mother and I but most Israelis feel very much "at home"

No one should accept slavery; least of all the Jewish people.

Alan,

Do you see any reason why the US and the British governments should not be held accountable the same way Germany was as they leveraged the Holocaust in Europe to complete Hitler's "final solution" in Palestine and honor the agreement that was made between Roosevelt and Ibn Saud on February 14, 1945 - cheap oil in exchange for US military which has been supported by every subsequent US President?

- 1) US limited emigration of Jews to the United States from **1924–44** to only 100,000 refugees.  
(<http://www.jfrej.org/Jewish.Immigration.Timeline.html>). Roosevelt's refusal of the SS/MS St Louis was a most notable example.
- 2) The British White Papers of 1939 being established less than a year after "Kristallnacht" which was seen by many as the beginning of the holocaust; severely limited emigration to British occupied Palestine to just 10,000 per year.  
([http://en.wikipedia.org/wiki/White\\_Paper\\_of\\_1939](http://en.wikipedia.org/wiki/White_Paper_of_1939))
- 3) The Allies ignoring 100s of reports of the atrocities of Auschwitz which at one point was killing up to 10,000 Jews per day.
- 4) Allowed US businesses and business men such as Prescott Bush to profit from Nazi provided slave labor.
- 5) When the US did finally enforce the TRADING WITH THE ENEMY ACT (+-1942), they only temporarily seized the assets from US businesses working alongside the Nazi's and after the war was over, returned all of their assets including their profits. In the very least, these companies should be held accountable just to the precedent set by Debra "I am very aggressive" Sturman against German companies such as Volkswagen.
- 6) On Jan. 15, 1948, the day the British signed a treaty with Iraq, British Foreign Secretary Ernest Bevin reached a secret agreement with the Iraqi leaders whereby the British agreed to speed up the supply of weapons and ammunition for 50,000 "Palestinian policemen." Of course, these "policemen" were Palestinian Arab fighters the British armed to defeat the "Zionist entity" before it could become a reality. He also agreed that Iraqi forces would enter every area evacuated by British troops in Palestine so that a Jewish state would not be formed. He encouraged Transjordan to invade Palestine, which it would do under the command of British officers.  
([http://www.worldnetdaily.com/news/article.asp?ARTICLE\\_ID=53280](http://www.worldnetdaily.com/news/article.asp?ARTICLE_ID=53280))
- 7) British Commander John Bagot Glubb led the Arab League's execution of their declaration of war against Israel in 1948 with his command of the Arab Legion spearheading the attack.  
(<http://www.encyclopedia.com/doc/1G2-3404702514.html>)
- 8) Etc., etc., etc.

The definition of crimes against humanity under customary international law is contained in **Article 7(1) of the Rome Statute:**

"Crimes against humanity" means any of the following acts when committed as part of a widespread or systematic attack directed against any civilian population, with knowledge of the attack:

1. Murder;
2. Extermination;
3. Enslavement;
4. Deportation or forcible transfer of population;

5. Imprisonment or other severe deprivation of physical liberty in violation of fundamental rules of international law;

6. Torture;

7. Rape, sexual slavery, enforced prostitution, forced pregnancy, enforced sterilization, or any other form of sexual violence of comparable gravity;

**8. Persecution against any identifiable group or collectivity on political, racial, national, ethnic, cultural, religious, gender as defined in paragraph 3, or other grounds that are universally recognized as impermissible under international law, in connection with any act referred to in this paragraph or any crime within the jurisdiction of the Court;**

9. Enforce disappearance of persons;

10. The crime of apartheid;

11. Other inhumane acts of a similar character intentionally causing great suffering, or serious injury to body or to mental or physical health.

Besides "victor's rights" which is hypocritical bullshit, the precedent set by the International Military Tribunal and the definition of crimes against humanity, justify similar actions against the US and British governments based upon their actions and inactions before, during, and after World War II directed at the extermination of the Jews.
