**Is it still more important that you men focus on your balance sheets while thinking how much to sponsor [www.justIIants.com](http://www.justIIants.com)?**

**Then read once again Chapter 9, Diamonds For Hitler, subtitle, Secret War Report of the OSS/CIA - Diamond Invention - where DeBeers stooge President Franklin D. Roosevelt is forced to make public how powerless is this Commander In Chief of all United States Armed Forces, not even able to get Ernest Oppenheimer who like his son Harry was buried, no different to American Charles Engelhard in a church, to go along with Roosevelt's request for De Beers to stockpile diamonds on U.S. soil.**

**Now let me spell out once again for all you mooshy heads that Roosevelt as well as the OSS/CIA as well as the remainder of the 3 Branches of the U.S.**

**Government, perfectly understood where exactly Hitler was getting his diamonds, no different to Ibn Saud who didn't need to attend Harvard Business School or for that matter Harvard Law School to know that De Beers were the best friend anyone anti-competition would want.**

**The letter below, written 3 days following the Russian Red Army liberating Auschwitz and some 9 odd days before Roosevelt met with Ibn Saud from the House of Saud that features prominently in the Israeli Military Intelligence report, on board the USS Quincy, spells out in simple enough English even for all you dummies "playing dumb" why anything but stupid Ben Gurion and Boris Senior, a secret member of the Irgun Jewish Underground movement who later became Chief of Staff Israel Air Force, considered the US Government, well prior to the official start of Israel's War of Independence 1947-1949, "no friend of the fledging Jewish State".**

### **Letter From President Roosevelt to King Ibn Saud**

*5 April 1945*

GREAT AND GOOD FRIEND:

I have received the communication which Your Majesty sent me under date of March 10, 1945, in which you refer to the question of Palestine and to the continuing interest of the Arabs in current developments affecting that country.

I am gratified that Your Majesty took this occasion to bring your views on this question to my attention and I have given the most careful attention to the statements which you make in your letter. I am also mindful of the memorable conversation which we had not so long ago and in the course of which I had an opportunity to obtain so vivid an impression of Your Majesty's sentiments on this question.

Your Majesty will recall that on previous occasions I communicated to you the attitude of the American Government toward Palestine and made clear our desire that no decision be taken with respect to the basic situation in that country without full consultation with both Arabs and Jews.

Your Majesty will also doubtless recall that during our recent conversation I assured you that I

would take no action, in my capacity as Chief of the Executive Branch of this Government, which might prove hostile to the Arab people.

It gives me pleasure to renew to Your Majesty the assurances which you have previously received regarding the attitude of my Government and my own, as Chief Executive, with regard to the question of Palestine and to inform you that the policy of this Government in this respect is unchanged.

I desire also at this time to send you my best wishes for Your Majesty's continued good health and for the welfare of your people.

Your Good Friend,

FRANKLIN D. ROOSEVELT  
His Majesty  
ABDUL AZIZ IBN ABDUR RAHMAN AL FAISAL AL SAUD  
King of Saudi Arabia  
Riyadh
