Subject: REZCO - : BRING IN DR. LAURA - weighing - terrorist plot - jrk - are you getting it?

Patti – it has been a while since you and I have spoken, let alone communicated via by email.

Have your boss, Trevor Manual, South Africa's Minister of Finance, at least check with Tony Leon to ask what the hell Tony meant when referring to all your bosses, Harry Oppenheimer, as a "non-racial liberal", quite the extraordinary slap in the face at you all by my close friend Tony who knew perfectly well it would go right over your nincompop heads.

Amazing that you folks haven't yet got one of your assassins that you inherited from the CIA's South African Apartheid Regime's biological weapons programme to bump off Tony, wouldn't you agree?

Now, at least try getting your stories straight going forward by continuing to stay in touch with me.

Ps – Care to comment when the Republicans here in the United States are going to have their media, which is the identical media of the Democrats-Socialists, release the goodies on the connection between Fred DeLuca-Subway-Rezco-Obama?
