Subject: \$ hit list - WHAT GOES AROUND COMES AROUND WITH A VENGEANCE - SPECIAL - horses for courses - shirt idea

Rabbi – given the significant number of rabbis and other mostly Jewish educators blind copied, let me first make mention that not only did you barmitzvah me on April 25th, 1970

within a year of virulent anti-Semite and “open supporter” of the South African Apartheid Regime, American Charles Engelhard laid to rest on March 2nd, 1971 at St. Mary’s Abby Church, Morris Town, New Jersey, but there has never been a non-member of the Mossad closer to my highly secretive Anglicized Jewish mother, Zena Rosland Ash Gevisser than you.

With that said I would like each individual blind copied to comment as they "see fit" on this heavily broadcasted communiqué below; bearing in mind that over the course of the next 72 hours I will begin adding names of those in the blind copied section who choose to play ostrich to the "\$ hit list" [sic] on just3ants.com.

You make movies.

Do you ever make them about controversial subjects such as why you have no comment on the most unique, most factual website on the internet?

How do you make money?

How hard is it for you to figure out why the Feds didn't follow up immediately once I established my "bone fides" with Codiam Inc. the DeBeers Anglo American Cartel's most visible price fixing operation on US soil which you would know would immediately have the Feds being forced to focus on OPEC's price fixing which in turn would lead immediately back to the Feds turning a blind eye now for more than a century to the price fixing of the DAAC who fix their own unlimited supply of untraceable, lightweight and inventoried diamond currency including diamond tipped drilling bits needed to drill for oil at always more than a barrel of oil?

<http://www.just3ants.com/emails/debeers/default.shtml>

Why don't you sleep on my easy to grasp questions as well as our ongoing *chronology* that provides a clear picture including who knew what and when did they know it, before answering as tomorrow I will extend my daily broadcast to include approximately 5,000 additional US American educators + at least one more barber who of course may not all be US citizens.

Naturally you understand that with their gun-money-power DeBeers saw no problem in taking over Hollywood which of course given this mafia of mafia's arrogance is well featured in Edward Jay Epstein's most fascinating internet only novel, The Diamond Invention.

So your only remaining question is why hasn't the State of Israel already moved rapidly against the United States Government who don't come anywhere close to representing the majority of Americans in deep debt as well as so poorly educated in the history, economics and politics of the DAAC, the special interest of special interest group who do most of their illegal business practices here in the United

States whose government prides itself on the highly publicized concept, "rule of law"?

I will leave it up to you to figure out how the DAAC have managed to figure out that their designated replacements would be the likes of Mike Boyd aka topped-87623 which even those "down and out", including the 3 million odd currently in prisons throughout the United States as well as the 12,000 US military veterans who attempt suicide each year plus the untold thousands who wish they had the courage, would choose, just like those such as yourself benefitting from the "status quo", again the DAAC as the allocator of the world's precious and limited resources beginning with water and oil.

If you don't think I need to cover this subject any further please don't hesitate to contact me and/or Keren over at the Office for the Israeli Department of Defense at the Israeli Embassy in Washington DC., and tell her I said, "hi".

<http://www.just3ants.com/imireport/default.shtml>

What goes around comes around with vengeance!

Ps – you would know that not all members of Israeli Special Forces units including the highly secretive Sayeret Matkal have been all that "happy troopers" in recent times; their dissatisfaction doesn't touch sides with the built up frustrations of US service personnel who for the most part don't have a clue about the truth; truth, that which does not change!
