Could you, when finding the time not to fixate on what is of course more than one pedophile in the **DAAC** infested United States Congress, dirty pictures preceding FBI Director Edgar J. Hoover dressing up in drag that may have you, but only for a moment not being so very angry in blaming all the evils of the world on the “**DEVIL**” George W. Bush, **EXPLAIN** in simple English what precisely is going on in your head apart from promoting your email address on this **list** of my relatives, that now has you interrupting my “*life’s work*” to go to the bother of adding you to one of my 3 **MDG** “**hit**” lists, so cheap that you still won’t even make a contribution to our “**social cause**”?

You are no different to anyone else sharing their email address to see what information you can grab for free and when you see the likes of me exposing your “**Achilles Heel**”, you run for the hills!

No doubt you made a healthy contribution yesterday to your favorite Rabbi in an effort to seek “**absolution**”, not to suggest that you are like **Democrat Senator Ted Kennedy** a devout Roman!

Catholics would not necessarily need me to explain in simple English that each and every one of our laws, bearing in mind our much touted indoctrination, “**We are a Nation of laws...**” are made by **CRIMINALS**, causing a miserable Jewish intellectual midget such as yourself to “**out of the blue**” want to be removed from one-of-a-kind email list that represents a statistically valid sampling of the world’s literate and crooked population!

And I am talking about even those Roman Catholics who not only have this image of Jesus Christ being a Lily **White Wheaty Eater** with blonde hair, blue eyes, thin red lips, a Beverly Hills plastic surgeon perfect Hollywood nose **BUT** who have yet to realize that not only was **JC** born an orthodox Jew, studied only the Jewish Bible, lived the life of a righteous Jewish **independent thinker** like none before, murdered in pursuit of justice exposing the hypocrisy of the heavily corrupt Jewish priesthood, buried according to orthodox Jewish custom and would have been alien to the over-the-top corrupt **DAAC** controlled insurance industry.

So which one of my 3 **MDG** “hit” lists would you prefer and all 3 are just fine with me?

Moreover, your objection to the 833 odd word communiqué that included the 3 words “**to be continued**” had me repeat a 1371 odd word email I sent to investor **Randall Kaplan**, former partner of Daniel Lewin, a 911 murdered member of Israel’s **Sayeret Matkal**, a counter-terrorism unit that few if any within the CIA and FBI would disagree, runs circles around anything we are capable of producing in the United States given how each and every “**law enforcement**” arm of the western world is **SIGNIFICANTLY** more **DAAC** infiltrated than the Mossad who draws upon the likes of Sayeret Matkal, one of a handful of Israel’s super-secret and brutally deadly Special Forces units to provide “**protection**” to each and every one of our Arab oil producing tyrants!

Not to mention you also **NOW BETTER** understand not only why I decided not “**sign up**” for any of Israel’s Defense Forces Special Forces units including its brutal Israeli Air Force despite having the, “**perfect credentials**” that were “**observed**” by those first “**watching out**” for my “**consigliore of consigliere**” **Royal Mater**, Zena Gevisser, **BUT WHY** even Israel’s best of the best Special Forces units, Flotilla 13 has taken “**inexplicable hits**” which possibly **NOW**, for the first time, Flotilla 13’s most brilliant Commanding Officer, **Ami Ayalon** who “**sat home**” during this recent Israeli-Hezbollah war, may better understand.

Ayalon, once “**schooled**” in **WHY IT IS** that the most “**CRIMINAL**” so “defensively” wrap themselves in religious garments while making the most “**ungodly laws**” will, please G-d, take the necessary step in “**rounding out**” not only his education but that of his former commandos. today scattered all over the world. resulting in “**giving peace a better chance**”, to mention little once again that peace in the Middle East with Arabs and Jews once again, “**business partners**” will result in finally “**coming true**” the so sought after, “**land flowing with milk and honey**” and at the same time those awfully whiny Americans making much ado about nothing worthless-fictitious DeBeers-Dollars “**Foreign Aid**” getting the most awful “**rude awakening**” that while cultureless they have been “slaves” to, “**FICTITIOUS DEBEERS DIAMOND LAWS**”.

Ayalon is highly unlikely to be in the least bit “**astonished**” to hear how few worthless “**diamond currency**” it took to provide Hezbollah getting prior to September 8, 1997 the “**lowdown**” resulting in Flotilla 13 suffering “**a serious blow during a raid in Lebanon, when it was caught in a Hezbollah ambush and 11 of its soldiers were killed, including the unit commander**”, given the “**briefings**” I have received ever since I “**showed my stuff**” both academically and physically during Gadna training back in the fall of 1972 while the likes of my American attorney King Golden Jr. Esq. stood motionless on the flatbed trailer as his worthless mentor, Senator **Edmund “Crybaby” Muskie** collapsed in to a heap of tears incapable of responding to allegations from the pitiful media alluding to this Democrat Presidential front-runner’s wife liking to smoke and “talk dirty” although I don’t recall King saying she was that big a “slut”, no doubt nothing quite like the **Kennedy Clap** spreading **First Lady Jackie O**,

While author Peter Evans who has made a good living exploiting the peccadilloes of well known **FOOLS NAMES, FOOLS FACES IN PUBLIC PLACES** he has never really, at least to the best of my knowledge, ever got in to the knitty gritty of why in fact the **DAAC** needed to assign one of its top operatives and **JUSTICE DEPARTMENT** informer, **Maurice Templeton** to keep the highly promiscuous **First Lady** from “**blowing her lid**”

not to mention the “**dirty pictures**” Joe Kennedy, first Chairman of the Securities Exchange Commission had on another first rate slut **First Lady** that had wheelchair bound **Democrat President Franklin D. Roosevelt** willing to set the United States on the path to becoming the greatest welfare state in history.

Ayalon may not even need to call a meeting of me and increasingly edgy **Edward Jay Epstein** for **EJE** to explain why he has never responded to a single email of mine including this first highly informative communiqué I sent him on January 13<sup>th</sup> 2004 that when he saw the words “**male heir**” this **DAAC** stooge knew he was in very big trouble and gained nothing by responding and tightening the noose around his neck.

David Ben Gurion may not have known when I, along with other spoiled rotten Jewish South African 15-year olds sat cross-legged on a green patch of grass in front of his small, very modest home at Kibbutz-Midrasha Sde Boker on November 1<sup>st</sup>, 1972 some **57** odd days after the murder of the defenseless 11 Israeli athletes at the 1972 **Munich** Olympic Games, that I could “**add**” well “**above average**” but he wouldn’t have been surprised if the same didn’t apply to a good number of my friends who like me had no choice being raised in the 3<sup>rd</sup> Reich’s Southern Division that took root in South Africa the same year Israel was granted “Statehood” by a very **DAAC** corrupted United Nations that didn’t think for a moment that the State of Israel would survive more than a few hours, not to mention, however, that I once ran into one of his military attaches at a branch of Bank Leumi in Tel-Aviv after I had made an inconsequential deposit in to one of my **Royal Mater’s** not all that many foreign bank accounts.

**DBG**, however as I found out soon after his death 13 months later to the day, knew a great deal about both my well above average and very humble fighter-bomber-pilot father and his father’s “**interests**” in Israel as well as my **RM**, not to ever forget Yehuda Matov, my **RM**’s Israeli “**personal escort**” but felt, given how “**quick**” I was to “**back off**” from any physical confrontation I could, “*do with sum aggressive training*” [sic] knowing, however, that from when I much younger I could both “*protect*” myself with the likes of both an Uzzi submachine gun and as well as high powered rifle even if I looked rather awkward in this **s** “**staged**” photo-shoot; more importantly I knew how best to listen very well by keeping my big mouth shut and in the event of getting “**caught with my pants down**” I would “*exhaust all my smarts*”, not in the least bit afraid to run as fast as my chicken legs would carry the rest of my miserable body, dwarflike arms, a torso without a chest, no shoulders to speak of, big nose and the such until such time as I entered the water before taking the deepest breath and staying “**dead still**”.

It is now long past the time when I would ordinarily be taking my **Super Intelligent Italian Greyhound** on his 3<sup>rd</sup> 90 minute loop walk of Noble Canyon, Pypeetoe’s so faithful “**guardian**” Maggie who while possibly in better shape than any Labrador going on 13-years of age cannot master the large rocks more than once a day.

I am very much “**biding my time**” as my “**secret weapon**” wife and I plan our next trip to China possibly next week, **KNOWING PERFECTLY WELL** that the overwhelming majority on my email list **CANNOT BRING THEMSELVES** to see anything good beyond what is “**comical**” in George W. Bush, not **DARING** to look themselves in the mirror and “**test their look**” were they to debate independent thinkers such as myself and **MDG**.

Of course, in this statistically relevant **LARGE GROUP** are included those **VERY FINANCIALLY POOR** suffering as horribly as the “**filthy rich**” from the almost

impossible to escape, "***Poverty of Thought***", the result primarily of having so "***bought in to the lies***" that **STILL** give meaning to their pitiful lives such as the United States Constitution, the flag and the such, G-d forbid anyone suggest the noble cause, "***pursuit of truth***".

So why not at least try looking yourself in the mirror **RIGHT THIS INSTANT** as you **CHOOSE** to "buy into" what you see on TV, hear on radio and read in the so extraordinarily **DAAC** controlled western "multi-tongued" media that the only thing "***free***" about our "***free speech***" is to the extent it costs the **DAAC** "***next to nothing***" and when you find all that is wrong with your look along with all the "wrongs" of **George W. Bush** then find the courage to email me with all your thoughts.

There are, as Ami Ayalon would know, several "***highly secure***" ways to "***reach me***" although I have been exceedingly careful in providing sufficient "***money trails***" for Israel's Special Forces to begin "***repositioning***" their "***resources***" all over the world beginning with simply observing **ALL** those **FOOLS NAMES FOOLS FACES IN PUBLIC PLACES** who **CONTINUE** to fail in distancing themselves from the co-founders-conspirators of **THE DIAMOND INVENTION**, American Charles Engelhard and Anglo Harry Oppenheimer who while "***presenting a public front***" of being Jewish were nothing of the sort and as expected were both buried as Christians with their "***faithful worshipers***" such as **Democrat Senator Ted Kennedy**, former **Democrat President Lyndon Johnson** and **Democrat Vice President Humphrey** forced to "***pay their respects***".

Americans **DARING** to declare anything "***illegal***" let alone so smugly, "***ILLEGAL IS ILLEGAL***" in reference to hard working immigrants whose ancestors had more rights, apart from not having the "***biggest gun***", to these borderless lands than any of our **LWWE** "***4fathers***" [sic], many slave owners serving the "***best interests***" of the British Crown-Colonies that were corporations with "***legal authority***" to do as "***pleased***" the Crown, should be enough of a **WARNING SIGN** for **CONSCIOUS Americans** increasingly "***sick to their stomachs***" their "***poor diet***" just one factor, TV another that could help them "turn off" all the nonsense that has those sounding increasingly like the **DAAC** Hitler's Brown Shirts **SOON**, "***shutting the ef up***" [sic].

BTW were you aware that my orthodox Jewish **Royal** Mater who is the suntanned person [click on "***oy***" hyperlink] standing, bending over in our lounge at our first residence in Durban North, South Africa known as **Highlands**, educated me, who is cross-legged amongst my 3 elder siblings on the far left in the red Chinese outfit, more in the teachings of Confucius than Judaism not simply because Zena Gevisser knew so very little about the genius of Judaism, relying on her best friend Professor Rabbi Abner Weiss to fill in any of the very few gaps not covered by Confucius, Confucianism all about the "***merit system***", rewarding those who actually perform so easy to tell "apart" those "***talking sh\*t***" [sic], especially with the Digital Age as the past and the future all come together in the present!

Please give serious thought before joining the ranks of Woodbury and Co. as I proceed to do what **IT IS** that needs to done including completing my rather lengthy missive to my one American programmer Adam Tucker, the price of gold last trading at \$576.50 a troy ounce, not to mention I know of no pawn shop or retail gold coin trading operation anywhere in the world having as a Point of Sale Display this **1087** odd word email I sent **Randy Leshay** back on September 27<sup>th</sup> that resulted in now very quiet Randy

responding, "**Thank you**", to mention little of you **UNDERSTANDING PERFECTLY WELL** what had former 3<sup>rd</sup> Reich's Southern Division military man, **Osher "Efer" Asher**, now a "**consultant**" to the U.S. Marines at Pendleton, California going so "**deafeningly silent**" the **INSTANT** he finished reading my "**INTERESTING**" 411 odd word analysis of the "**brainwashed**" Steven R. Weisman of the New York Times, so carefully chosen to write the article, **U.S. Seeks Bigger China Role in I.M.F.**

Now finally turn your attention to the Richard Nixon tapes that had this very crooked but still **SMART** enough American lawyer-liar-businessman to open up the Chinese market to our mostly drug-dependant-insurance influence.

What apart from Nixon's **Secretary of State, Henry Killinger Kissinger**, on the payroll of the **DAAC**, would have prevented **Killinger** from informing Nixon when mouthing off anti-Semitic rhetoric that looked like it was coming right out of the playbook of Mullahs under the "**command and control**" of our **DAAC** Arab tyrants, as he and Nixon got on their hands and knees seeking, I assume, "truth" and to enlighten Nixon that the "**Jewish bankers**" Nixon was convinced were "**in control of everything**" were non-Jews also causing **Killinger's** testicles to ache, not to mention **Killinger**, not quite "**getting his way**" with our great, most honorable President **George W. Bush**, not even close.

Quite brilliant White House spokesman Tony Snow in "**sending to Coventry**" this former anything but Jewish non-elected **DAAC** government official who after being "**dismissed**" by **GWB** went running to the media, "**crying foul**".

Separating the "**wheat from the chaff**" can be helped by each one of us **first**, emailing Hollywood blockbuster author **EJE** and asking him simply why **a**) he, such a thorough investigative journalist-author left the reader of his most devious and so fascinating **INTERNET ONLY** book, **THE DIAMOND INVENTION**, with the impression that both **Charles Engelhard** and **Harry Oppenheimer** were Jewish and **b**) IT IS taking so long for **EJE** and **Killinger and Co's** to provide **EASY** updates, filling in all the other **VERY IMPORTANT** gaps that **THEY KNOW** versus **BELIEVE** that I could accomplish with my "**eyes closed**" in a matter of minutes, certainly less time than it takes **CBS** to air its **60 Minutes**, not to mention in simply putting up with being surrounded the rest of my life by uninteresting crooks, "**turning a blind eye**" and "losing" my character let alone an "opportunity to find, "**The Hand of G-d**" I could have "**taken over**" from my uncle David Gevisser as the American head of the **DAAC**.

**Second**, get everyone you know who says they have a "**moral compass**" to make a diagram with the **DeBeers-Anglo American Cartel [DAAC]** in the center surrounded by all the different groups, corporations and institutions now "**deafeningly silent**" all "**inter-feeding**" and supporting each other's lies, looking like they're independent but are in fact one.

Thanks.
