Subject: I AM VERY WISE - i dont agree with you on a number of things -
panhandler - RE: Diamond Currency

I am not the only one who remembers you.

Correct me if I am wrong, but the last time you only wrote English, your ending, "**No, but I am very wise**" in response to my question, "**Are you a rabbi?**" had me not bothering to communicate with you directly, all the while getting your attention when I wrote to Adam L. Tucker in this 4634 word response.

And of course you would know that less is always more unless of course dealing with the mostly unintelligent human beings currently living.

Not to mention that today's lunch with my so beautiful French-Canadian wife and very handsome and strong master Spanish painter-teacher Sebastian Capella, so enlightening on a number of different levels that led me to follow Sebastian back to his art studio where once again less was more beginning with the clouds "cut out of the canvas" in his latest masterpiece that started out with a photo my F-C wife took when we were last in Le Lue, southern France.

How many people do you know come up to you and say, "I thank God for you being born"? In addition to your mother please share with me the rest of these idiots' emails.

BTW does the negative attention seeking behavior of your children bring out the best in you?

You know that in addition to Nazi SS head Eichman speaking a pretty good Hebrew, so did a handful of the Jewish Kapos.

I wouldn't be in the least bit surprised that you would derive great satisfaction when hearing lawyer Sheldon Cohen, a former Jewish Commissioner of the IRS when interviewed by a Jewish film producer who just moments before caught Cohen with his pants down and just like you responded in Yiddish, "Set-Jer-Gornichst-Helfin", without, and again just like you, bothering to translate it into the English, "Nothing will help you"?

Pretty sick, wouldn't you agree that a very senior big government official who happens to be Jewish and who has yet to speak out publicly against the most anti-free market organization in the world, namely the DeBeers-Anglo American Cartel who contribute significantly to the buttering of the bread of each and every senior US Government official, both elected and unelected, would speak in Yiddish when threatening another Jewish people simply asking very good questions about the "legality" of the United States Government in taxing the hard working poor while the filthy rich get one tax break after the next beginning with De Beers who have been allowed now for more than a century to engineer-manufacture-distribute their own unlimited supply of untraceable, lightweight and never inventoried Diamond Currency, always price fixed at more than a barrel of oil.

Incredible that there is not a single university graduate I have met here in the United States in all the 3 decades I have lived in this crown colony of the British Empire who like the US Congress have no loyalty to any country, religion, ethnic group or sex only enslaving the hard working masses who has understood how easy it is for De Beers and Co. to profit from war by backing all sides to the conflicts using first and foremost their untraceable, unlimited supply of Diamond Currency and with what "remains" to bribe-co-opt-corrupt elected and non-elected government officials throughout the world to turn a blind eye to this mafia of mafia's so obvious and most diabolical behavior, second only, in my humble but seasoned "opinion" [sic], to The IT, his Cow and those who keep their company; bearing in mind The IT and Co. don't control any of the British Crown's military including the US military.

You also perfectly understand that more went on in the mind of David Ben Gurion beyond "disappointment" when coming to terms that the lead Israeli Military intelligence officer sold out his Jewish brothers and sisters in Operation Suzannah back in the summer of 1954, most likely at the very start of this rather important Israeli covert military operation in Egypt.

Again, just because you most likely consider yourself Jewish, does not mean that you are any different to most Jewish people who are only Jewish when it suits their pocket book, no different to most religious human beings and the worst of course, the most hypocritical and the ones I can ferret out the easiest those academics who have allowed their formal education to interfere with their learning.

Folks like Doctors Without Borders the second easiest group of "shalatans" [sic] to ferret out; bearing in mind how easy it to ferret out every crook in the entire world just by how they respond to the extraordinarily ingenious Israeli Military report that spells doom for the US economy.

You can understand even though you would have a hard time conceding the fact that a disproportionate amount of non-Jewish people beginning with French and Spanish Roman Catholics did more to save Jewish people during the Holocaust than did Jewish people which explains to a large extent not only the ongoing silence of the Jewish people in taking the 3 branches of the US Government to task for its support of De Beers and Co. the most anti-Semitic regime in the history of the world but why in fact the State of Israel has yet to act on the ingenious Israeli Military Intelligence Report which spells out in very simple English the culpability of the 3 Branches of the US Government in support of the House of Saud.

Not to mention how so extraordinary few Jewish people throughout the world are "put off" by American Jewish person Howard Schultz, founder and Chief Global Strategist for Starbucks kowtowing to his Kuwaiti Royal family business partners who have threatened Schultz with destroying the market value of Starbucks were he to open a single successful Starbucks in Israel.

And before you think like most American Jewish people who support the Socialist Democrat Party of the Nazi Kennedy clan that President George W. Bush's hands must be at least as "bloody" as all the hypocritical Jewish people I am adding to our FOOLS NAMES, FOOLS FACES IN PUBLIC PLACES \$ HIT LIST all you have to do is examine the fact that this President Bush did not in fact "go along with the script".

You will recall that President George W. Bush's nemesis is none other than Sec. James A. Baker III who played a very significant role in convincing the heavily corrupt US Supreme Court to throw its weight in support of George W. Bush being declared the winner in the 2000 Presidential elections.

And while Sec. James A. Baker III is not alone in thinking that George W. Bush was born with a "silver spoon in his mouth" and would therefore "tow the line" just like not all Jewish people are good, nor should one assume the President GWB wouldn't end up being his "own man".

It is not only what one says that counts but more importantly what one actually does.

Sec. James A. Baker III produced a report along with others who are not exactly "friendly" towards this President Bush including Mr. Robert Gates, the current US Minister of Defense-Office with extraordinary strong ties to the CIA, who replaced the rather brilliant former Sec. of Defense Donald Rumsfeld who of course like President GWB is no "saint".

Bear in mind, however, that I didn't get off a boat just yesterday in Haifa harbor, Israel and so far you will notice that the Mossad has yet to "take issue" with me for divulging their and Israeli Military Intelligence's most ingenious military report of all time that has every crook in the world today "deafeningly silent".

Moreover, I happen to be intimately familiar as both IMI and the Mossad are fully aware, with a very close confidante of Sec. James A. Baker III.

Roger W. Robinson had very good reason to "trust" me back in the early to mid-1980s when he along with Sec. James A. Baker III were the two most powerful people in the entire world.

Moreover; at least in equal in importance "Our man Roger" would declare out loud, "James Baker is the most dangerous person in the world" when RWR was the most senior member of National Security Council during the "Being There" President Ronald W. Reagan's first administration.

And of course part of "Our man Roger's" loose tongue had a lot to do with him being high on pot which also explains his "trust in me" when lowering his guard with me, his bosom-buddy King Golden Jr. Esq, who was my one American attorney of umpteen years as well as Ms. Valerie Schulte whose claim to fame besides for being a senior attorney at the National Association of Broadcasters, spread her legs for Ted Turner, founder of CNN, for some 15 odd years.

BTW do you think of pretty young girls or pretty young boys when you "lay tefilin" or neither?

Thank you for increasing the circle of those dependent upon my insight and analysis of the important events of the day.

Have you considered making a financial contribution towards just3ants.com?

Ps – Until such time as you comment directly on; first, the IMI report; second, Edward Jay Epstein's most fascinating non-fiction novel The Diamond Invention, specifically, Chapters 9, DIAMOND FOR HITLER, subtitle, THE SECRET WAR REPORT OF THE OSS/CIA and Chapter 18, THE AMERICAN CONSPIRACY, and third, why each and every Jewish person in the world either directly or indirectly in business with the De Beers-Anglo American Cartel has yet to speak out against the diabolical hypocrisy and arrogance of the Hasidic-ultra orthodox Jewish-Black Hatters who serve as the "cushion" of the DAAC, the most violent mafia of mafia in the history of the world, I will simply add whatever comments you make in the future to your blog on the just3ants.com "\$ hit list" [sic].
